Speaker of the Week

Michael Spicer is in his 19th year as executive director of Salina Community Theatre.

He talked about construction of the theater's recent expansion and stressed the importance of the theater's role in educating young people. The thousands of children that visit the theater and take part in education programs have gained an appreciation for the value and benefits of the performing arts.

Spicer said he was most proud of bringing together people of all genders, race, age, social standing, economic situation and circumstances.

Joke of the Week

A woman took her dog, a Schnauzer, to the vet because it couldn't hear. The vet said there was hair in the dog's ears and she should go to the pharmacy, buy "Nair" hair remover and rub it in the dog's ears once a month.

When she bought the Nair, the pharmacist told her, "If you're going to use this under your arms don't use deodorant for a few days."

"I'm not using it under my arms," the woman replied.

"If you're using it on your legs don't use body-lotion for a few days," he said.

"I'm not using it on my legs either. If you must know, I'm using it on my Schnauzer."

"In that case, stay off your bicycle for at least a week," he told her.
